*PS: Havo issues this statement in respect of Module A of Self certification of the EU framework on the marketing of products (2008/768). After a thorough assessment of raw materials, a safety assessment, technical documentation, internal production control (HAVO is a certified ISO 9001 company) and conscious periodically testing of some products at authorized labs, we issue this statement.*

*Test reports*

- *may not always meet the actual standards as we only retest our products when legal changes are relevant,*
- *are only available when above mentioned criteria give reason to have certain EN 71-x tests to be performed,*
- *will in principle only be released to customers for special purposes forced by national laws (customs, local governmental agencies).*
